Venue: **Saint George Russian Orthodox Church**
15 Garfield St Carlton NSW 2218

With the blessing of
His Eminence Archbishop Hilarion of Sydney,
Australia & New Zealand,
Russian Orthodox Church Outside of Russia,
English talks by **Priestmonk Kosmas** have been scheduled for the first Tuesday of the
following months.

Dates: **Tuesday 2 October 2007**

The talk will be given at **7.30pm** in the Church hall, at the rear of the Church, with the theme, ***Black & White Magic and the Church's teachings regarding these practices.*** It is becoming more and more popular to believe that there are two types of magic: black magic (which is evil) and white magic (which is good). However, the question that needs to be asked is whether magic really exists? Saint Cyprian was a former sorcerer who later repented and became one of the main sources of information in the Church regarding sorcery. From studying the life of Saint Cyprian, many of the secrets surrounding these dark practises are revealed. This talk is especially important in our times due to the dramatic increase of interest in the occult, which unfortunately, includes Orthodox Christians.

At **7pm**, there will be in English, a Moleben Service to Saints Cyprian & Justina and the reading of prayers for the sick in the Church.

After the talk, there will be coffee, tea and sweets for those who wish to stay. People are welcome to come to either the service or the talk or both. A bookstall of English Orthodox books will also be available on the night.
